Overview

Oyster Bay Lodge is located between Knysna and Gqeberha (previously Port Elizabeth) in a beautiful coastal reserve which is set on 100 hectares and boasts a pristine 3.5km beach, magnificent dunes, picturesque woods, river deltas, wetlands, lagoons, free roaming horses and an extensive birdlife.

The Tourism Grading Council of South Africa (TGCSA) 4-star lodge is conveniently located for outings to Tsitsikamma National Park, Baviaanskloof, St Francis Bay or Addo Elephant National Park.

Horse riding or sandboarding, bird-watching or whale-watching, hiking or fat biking, picnic on the dune or safari on the dune (with our one-of-a-kind vehicles) – we host a variety of fun activities on site or in the surrounding area, giving guests the opportunity to experience the coastal reserve. Our private and unspoiled sandy beachfront makes Oyster Bay Lodge a little paradise in the Eastern Cape. Whether you start or end the beautiful journey along the Sunshine Coast, Oyster Bay Lodge is the ideal destination.
